

Middle School Supply List

Dear Parents,

In an effort to encourage students to learn organization skills and take ownership of their work and materials we will be asking middle school students to choose certain organizational tools like binders, folders, and planners on their own. We will begin with an assessment of what has worked for them in the past and then give them a few days of class to identify what kinds of papers and work they will need to keep track of. We will then take them shopping on Monday, September 11th.

Please send them to school on September 11th with:

- any binders and folders that can be reused
- an envelope labeled with their name with \$30 to take shopping (We will collect and hold onto this money for them)

The following supplies:

- At least 1 dozen pencils (mechanical preferred) and erasers
- 1 pack black or blue pens plus 4 - 6 individual pens of any color
- 2 100 sheet packs college or wide ruled filler paper
- 2 100 sheet packs graph ruled filler paper
- 2 graph ruled composition books
- 1 packet of 100 4x6 lined index cards (4x6)
- Calculator (either scientific/graphing or standard is fine)
- 1 mandala plate from past years for snack
- A lap top computer or tablet with internet capability, Microsoft Word and Excel software.

If you have any questions please don't hesitate to email us.

Sincerely,

Kathy and Caitlin
