

2023-2024 Kindergarten Supply List

Dear Kindergarten Student;

We are excited to have you in our class this year. This will be a year filled with learning, discovering, exploring and fun! You will each get to contribute to how our year goes and what exciting things we study. We will talk more about your ideas and ours when we meet for pre-conferences.

In preparation for the school year, there are a few items that you should get before the first day of school. Please put student's name on everything and label accordingly
