Parents/guardians are responsible for determining the best and safest routes for their child when riding to and from school. It is highly recommended you ride or walk the route with your child prior to allowing them to ride to school. If your child becomes ill during the school day, a parent or guardian will be contacted and required to pick up the child. This form must be signed and returned prior to your child riding to and from school on their bicycle.

I will assume all risks associated with my child riding their bicycle to school, including injury to my child, loss, damage, and theft of the bicycle and helmet. I understand that it is my child's responsibility to store this item in a safe manner. Village Gate Children's Academy staff will not be responsible or held accountable for safeguarding a student's personal property.
